Added a direct login entry for Apple accounts/Update Facebook SDK/bugs correct Download Sea Game: Mega Carrier MOD APK hacks offline the latest free version with tips, tricks and unlock unlimited money. The game features a one-of-a-kind tropical-island theme and a real-time multi-player support strategy game. Players can enter a picturesque world that is a replica of that of World War II. The enemies fight desperately despite continuing to lose, in their quest, the ruins of Atlantis were found full of extremely advanced technologies, which give them the chance to change space and time. After this discovery, they proposed to make a proper discovery to eradicate anyone on their way, and so they launched the evil Final Medusa project. Starting from scratch with nothing, the player can become stronger and more powerful, and then be able to stop the bad Final Medusa project. Assisting allies or eliminating potential enemies are decisions left to the player's discretion. The game consists of a maritime planet with upgradeable Megacarriers to take charge of the ocean. A player can compete or work in alliance with many other players from all over the world voluntarily. This is a real-time multiplayer strategy game. You're entering a parallel world that mirrors ours during World War II. Start out of nowhere, get stronger and stop the evil Final Medusa project. It's up to you to assist your allies or eliminate other potential enemies. On this maritime planet, upgrade your Megacarriers to rule the ocean. Collaborate or fight against millions of players around the world of your free will. It's time for you to write the new story!-Background- In another parallel universe, World War II lasted until the late 1960s. Although the enemies continued to lose battles, they fought desperately. They found the ruins of Atlantis full of highly advanced technology in the Atlantic and gave them the power to alter space and time. They decided to use this power to eliminate anyone who was on their way, and then they launched Final Medusa project. They sent a secret faction to escape earth using space technology found in the ruins to maintain their strength and save the day. Day, the Allies intercepted and captured some of their troops. To stop the enemy's evil plan, the Allies sent elite troops to hunt down the remaining enemies, but faced with such powerful technology, the oath among the Allies is on the verge of collapse. Friends or enemies, it's time to rewrite the story!-Highlights- - Amazing 3D graphics in a familiar American cartoon style. - Created with the NextGen engine, which brings you epic ocean warfare. - Real-time global sync technology allows you to play with other players around the world. Each of your commands has an impact on the whole world. - The adaptive battle system allows up to 100 v.s. 100 battle without incident or delay. - Boss's innovative combat system allows anyone to join the battle anytime before the boss dies. Bosses are no longer exclusive challenges for high-level players. - More powerful Megacarrier are waiting for your orders. - Customize your fleets with different aircraft carriers, destroyers and submarines, each suitable for a specific purpose. -We have updated the customer service System.It will allow you to enjoy an even better service in the new version. - Optimized adaptation issues on some devices. - correct bugs.
